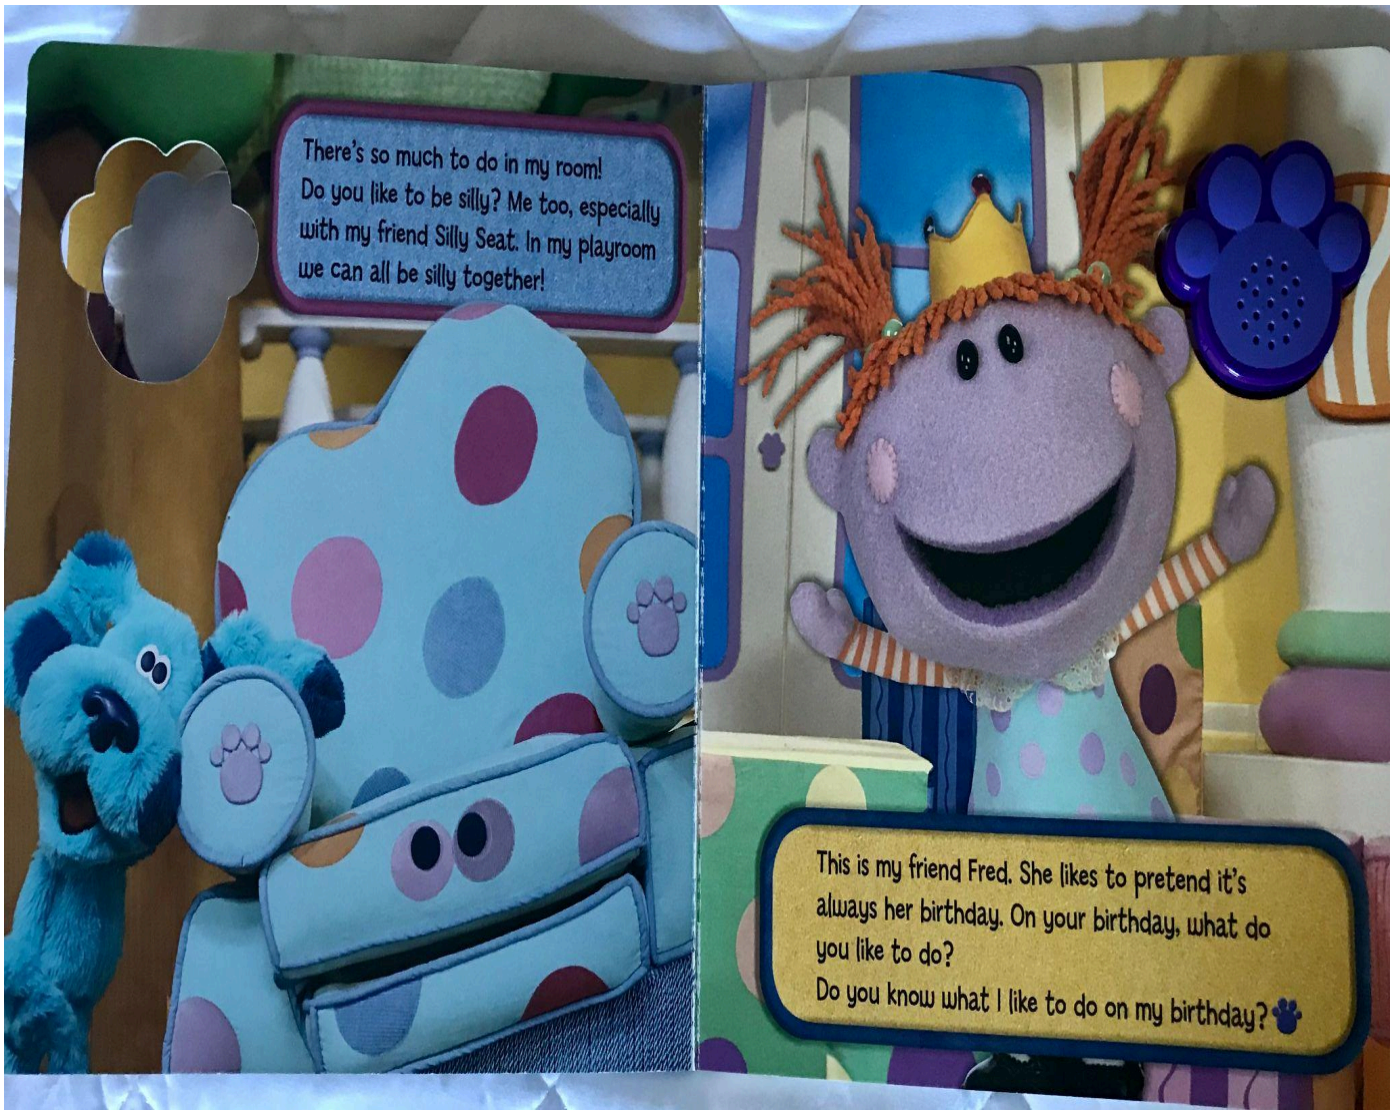
BLUE'S ROOM
Press My Paw Print — Hear Me Talk!
Blue Talks!

Hi, YOU! I'm really glad you're here with me in my playroom.
Do you know how I found my room?
One night my friend Moona flew down from the blue moon to help me find the golden key I was born with. The key opened a special music box. That's when I found my playroom and my greatest gift. Do you want to know what it is?



There's so much to do in my room! Do you like to be silly? Me too, especially with my friend Silly Seat. In my playroom we can all be silly together!
This is my friend Fred. She likes to pretend it's always her birthday. On your birthday, what do you like to do?
Do you know what I like to do on my birthday?

Look! Here are more of my playroom friends! There's Roar E. Saurus. He loves to r-o-o-o-a-r! Roar like a dinosaur with me. Roar!
We can also draw pictures with my friend Doodleboard. Do you like to doodle? Me too! But do you know what I like best? Guess!

Here's my friend Polka Dots. He made up a game called Polka Dot Puzzles. Have you ever made up your own game?
We can also boogie with Boogie Woogie. Boogie Woogie loves to sing, dance, and play music games! I love music games! Do you know what else I love?

We play all kinds of games here. Come over and play anytime.
And do you remember what I love most about my room? See you soon!
